ARTWORK AND DESIGN

The cover art is the public's first impression of your album, so make sure it looks its best. Our design team can give your album the major label look on a small budget! Call for quotes.

RESTORATION

Remember vinyl and cassettes? We can restore the sound quality of your analog media and transfer the new files to a pristine master CD. We can restore anything from 78s to tape reels and cassettes — with packages starting at just \$60!
