

Have your songs produced by a World-Class Studio & Production Team on a Midwestern-town sized budget!

You've written a great song and you want people to hear it...
You want to do it right, but can you afford it?

Sweetwater Productions gives you a major studio production team working with your songs on a budget you can live with...

- 3 spacious, incredible sounding studios all loaded with the latest, greatest studio tools
- An experienced team of producers, arrangers, session musicians and engineers working to create tracks that sound better than you ever imagined your songs could have on a tight budget
- We'll help every step of the way with co-writing, arranging, hiring session players, tracking, mixing, and duplication... your songs will sound amazing!

Each Sweetwater song production includes:

- Our nationally known Production Team
- Top quality Session Musicians & Singers
- Recording and production time in our 3 World-Class Studios
- A high-quality .mp3 of your song demo and a Performance Trax mix useful for live shows
- Songwriting critique and assistance
